Luxury Offices
Interior Design

A modern, minimalist office interior. On the left, a built-in bookshelf with warm wood tones and integrated lighting holds several books, including 'DOCTORS DIET' and 'The Life-Saver Aid', along with decorative sculptures of a bull and a lion. In the center, a large window is covered with light-colored, vertically-slatted blinds. In the foreground, a light-colored, quilted armchair with a gold metal frame sits on a light-colored rug. To the right, a light-colored desk holds a silver laptop with the Apple logo. The ceiling features a recessed lighting strip with warm, glowing lights.
